

**\*UNCHECK ALL "SCALE TO FIT PAGE" CHECKBOXES WHEN PRINTING\*****INSTRUCTIONS:**

If you do not know your ring size or you are buying a special gift for someone, we suggest you print this chart to help ensure accuracy and do the following:

- Use a ring you currently wear, or that she currently wears and place it on the circles. The correct circle size should fit against the **INSIDE** edge of your ring.
- Measure your finger by wrapping a piece of string around it. Find the length of the string that makes one loop around and use the chart below.
- Alternatively any local jeweller will be able to measure your finger or your favourite ring for the correct size.
